

Resilient[®] **ALIGN**[™]

COMMERCIAL PACKET

Resilient[®] ALIGN[™]

Permanent Non-Tack PSA Mounting Board

FEATURES & BENEFITS:

- Slidable non-tack, pressure-activated adhesive surface
- Air-Release Technology – eliminates air entrapment
- Closed cell construction – provides smoothest surface for mounting
- Velvet true black core – visually pleasing edge is ready to display with no further treatment.
- Spring-Back technology – Dent resistant eliminating damage in shipping and handling.
- Mount with a squeegee or rubber roller
- 27% Lighter weight – ease of installation, reduced shipping costs.
- Superior cutability – cuts with most commercial cutting equipment.
- Moisture Resistant
- Long-term lay flatness and stability

MADE IN USA

CORE COLOR:
Black

GAUGES:
1/2", 3/4", 1"

SHEET SIZE:
50" x 87"
Additional sizes available

Resilient[®] ALIGN[™]

Permanent Non-Tack PSA Mounting Board

RESILIENT [®] ALIGN [™]	Competitor Board
Slidable non-tack, pressure activated adhesive surface	Non-repositionable
Air-Release Technology – eliminates air entrapment	Bubbles caused by air entrapment
Closed cell construction – provides a smooth surface for mounting and printing.	Inferior printing surface
Velvet black core – visually pleasing edge is ready to display without edge banding.	Edges require band treatment; added time and expense
True black color – elegant, classy appearance	Not true black
Spring-Back technology - returns to its original form after impact.	Subject to dents and creases
Dent resistant corners – eliminates damage in shipping and handling.	Crushed corners
27% Lighter Weight – reduces shipping costs; can be installed easily with adhesive strips	Higher shipping cost; requires heavy-duty hardware for installation
Superior cutability – cuts with most commercial cutting equipment.	Pulling and tearing
Moisture Resistant – not affected by humidity or condensation	Subject to delaminating in humidity
Long-term lay flatness and stability	Subject to bowing

CORE COLOR: Black

SHEET SIZE: 5"X5", 5"X7", 8"X8", 8"X10", 8.5"X11", 11"X14", 13"X19", 12"X12", 16"X20", 50" x 87"

GAUGES: 1/2", 3/4"

Additional sizes available

Resilient[®] ALIGN[™]

Permanent Non-Tack PSA Mounting Board

Resilient[®] ALIGN's closed cell construction provides a super smooth foundation for photo mounting!

Mounting Instructions

Application is quick and easy with simple peel and stick activation. Resilient[®] Align may be used manually with a squeegee or soft rubber roller.

1. Peel off release liner.

2. Position board against squaring tool.

3. Slide and align photo.

4.(a) Adhere photo with squeegee...

4.(b) ...or soft rubber roller.

5. Finished photo tile
